MAJOR HOWARD W. BEAL MEMORIAL HIGH SCHOOL
SHREWSBURY, MASSACHUSETTS

Dedi

We, as students of Major Beal High School, have been indeed fortunate to profit from the resources of knowledge possessed by the director of our mathematics department. His prudent methods, effective teaching and wise counseling, coupled with a pleasing personality and keen sense of humor, have made him a friend to all.

To express our esteem and sincere appreciation for his patience, his ability as an educator, and his interest in us and our future, we, the class of 1957, dedicate this volume to Mr. John W. Jacobs, Assistant Principal.

Class History

Meek little Freshmen, timid and shy,
Wondering how we'd ever get by.
Upperclassmen reviewed us all;
Aside of them we looked very small.
But nevertheless we did our best,
Hoping that time would accomplish the rest.

We thought 1953 would never come to a close. Feeling so afraid and lost, after viewing the upperclassmen, our advisor, Miss Prouty, came to our rescue and, with her guidance, we held our first class elections. The results were: John Clark, President; Gerald Dorfman, Vice-President; Elizabeth Yarnes, Secretary; and Carolyn Alex, Treasurer. Things began to get under way with the tea held for our parents, which was followed by a Valentine Hop. The first orchestra most of us heard was at our spring dance entitled "Spring Swing," accompanied by the Boyntonians. Our class

project was then started and in a few weeks Freshmen were seen in the hallways of Beal High investigating and cataloguing all the pictures in the school. Our enjoyable freshman trip to Babson Institute, which was very interesting, will be among our many treasures to be cherished. We found also in our first year that our class had great dramatic ability, as was shown in Freshman Prize Speaking when Steve Brown walked away with top honor and Liz Yarnes and Al Parker stole second and third prize. Final exams in June ended our first year of high school and the rest of the summer was ours to enjoy!

Back to school again in the fall,
Feeling quite cocky as we strolled through the hall.
A result of our well-planned dances
Was the springing up of new-found romances.
With one year behind us and two more to come,
The activities of high school had really begun.

We returned to school in the fall for another busy year. We were a little more sure of ourselves this time and, under the capable guidance of Miss Parks, we once again held our class elections which resulted in the following: John Clark, President; Peter Perrault, Vice-President; Elizabeth Yarnes, Secretary; and Carolyn Alex, Treasurer. For our social events of the year we had our Sophomore Hop and sophomore record dance. We were very proud of our

football team for their five out of nine wins and also for the tremendous work of the crew, basketball, and baseball teams. Girls' sports were not to be forgotten, for they also did Shrewsbury High proud with their outstanding playing and effort. Seen waving through the air when our team went on to victory at the football games were the colorful shakers, which were made by our class as our project. Another year had come to a close and already plans were being made for those glorious summer months.

Halfway through our high school career,
And the goal of graduation drawing near,
Our hopes were high, our dues were many;
We paid them grudgingly, penny by penny.
The Junior Prom climaxed the year,
While we all looked forward to our Senior year.

Being old pros at electing officers, we chose for our leaders once again: Pete Perreault, President; James Abdella, Vice-President; Elizabeth Yarnes, Secretary; and Carolyn Alex, Treasurer. This was the year when boys were hiding behind corners and girls were rightly finding them, because 1956 was Leap Year. We started out this interesting year by holding a Sadie Hawkins Dance, with clever decorations of Daisy Mae chasing Little Abner. Our next social event was our Junior Prom which, under the expert guidance of Miss Parks, Miss Gaum, and Mr. Trembley, was a tremendous success. It was entitled "Stairway to the

Stars," and a more beautiful sight was not to be seen. Millions of beautiful colors were seen dancing on every object in the hall, and with the dreamy music of The Boyntonians and their orchestra, everyone was completely happy. But the climax of the evening was yet to come with the crowning of our beautiful queen, Maryann Allgaier and her lovely court of lovelies, Connie Errara, Kim Soucy, Joanne Borgatti, and Elizabeth Yarnes. We closed the year by selling book covers and decals as our project. We left in June, our spirits high, awaiting another exciting year.

Dignified Seniors in our last year,
Before we knew it graduation was here.
Pictures were taken and the yearbook begun,
And soon we will all be missing the fun.
For all of us now are about to part,
But the wonderful memories will be next to our heart.

It was said that our last year would go by quickly and it went by altogether too fast. For the last time we were picking our class officers, who were Peter Perreault, President; James Abdella, Vice-President; Elizabeth Yarnes, Secretary; and Carolyn Alex, Treasurer. 1957 was our year and will always be remembered as such. We quickly began by making preparations for our yearbook and elected Mary Jane Wignot as our able Editor-in-Chief. With the help of the rest of the staff, our memories in the present and past years were woven together and put into a book to be treasured by all of us. Mr. Mercer's camera had captured us in moments not to be forgotten and of which all of us are proud.

We welcomed spring with the annual senior musicale, "Merry Carnival." It was a grand success and loads of fun. Our trip to Washington and New York was one of the

most important and memorable events. Each one of us has his own different memories of what happened — the wonderful chaperones, the beautiful weather and a closer friendship with our classmates.

One of our supreme social moments was the annual class banquet. It was a never-to-be-forgotten occasion.

Graduation was drawing closer and the hectic days of rehearsal had begun. We marched up and down the aisle until our feet ached, and sang until our throats were hoarse. But then graduation finally arrived and everything worked out perfectly. It was our last time together at Shrewsbury High. The last of the diplomas were given out and, with the ending of the exercises, we marched out together for the last time to a path entitled "Future," which would have been impossible without the help of our parents, teachers, and advisors.

National Honor Society

First Row: Mrs. Louise Widdis, *Advisor*; J. Wesson, D. Reed, L. Scott, P. Jasper, D. Reno, J. Dorfman, C. Errara, Mrs. Ethel Sawin, *Advisor*. *Second Row:* Miss Helen Parks,

Advisor; G. Sharpe, E. Yarnes, M. Wignot, A. Parker, N. Lonnroth, S. Brown, J. Bennett, J. Davis, Miss Mildred Shea, *Advisor*; Mr. James Cooke, *Advisor*.

The National Honor Society was established by the National Association of Secondary School Principals primarily to recognize not only the quality of scholarship, but also those desirable qualities of leadership, character, and service. In May of each year 7 per cent of the Junior class is elected to the Society by the faculty and Faculty Council. In February of each year 11 per cent of the remaining Senior class may be elected.

The aims of the National Honor Society are: to uplift the entire school by practice of ideals, to promote mutual friendship, to serve the school and the community, and to prepare members for effective participation in the life of

this great country. The activities of the Society this year were decorating the memorial on the Common on Memorial Day, holding two auctions, giving contributions to CARE, showing an educational movie, holding a "Get Out And Vote" poster contest, and giving a gift basket to a needy family in Shrewsbury.

Under the expert guidance of Miss Sawin the Society has had a successful year.

The members of the National Honor Society prize membership and believe that their organization benefits their school, community, and each of them individually.

Student Council

First Row: Miss Ethel Sawin, *Advisor*; J. Wesson, T. Cronin, M. Wignot, J. Abdella, P. Jasper, S. Brown. *Second Row:*

K. Turnquist, P. Brown, G. Johnson, S. Ireland, J. Ryan, V. Blackett, A. Reetz, G. Garland, Mr. James Cooke, *Advisor*.

The Council is a very active organization. It supervises all class elections and election of the delegate to Student Government Day. It sponsors many assemblies. Mr. Cooke presents school problems for discussion and possible recommendations to the Council, and requests cooperation in certain tasks. The Council assists in the election of members of the Traffic Squad and Cheerleaders. It receives reports from the Cheerleaders and Junior Red Cross Clubs. Two of our most recent projects are establishment of a Leadership Training Course and the development and administration of a point system.

It has been the good fortune of this year's Council to

have Mary Jane presiding as president of the Central Division to the National Convention at Toledo, Ohio. Mary Jane also attended this convention as co-discussion leader to the National Convention at Toledo, Ohio. Mary Jane also attended this convention as co-discussion leader with Miss Sawin. This June Susan Ireland and Miss Sawin will represent Shrewsbury High School as co-discussion leaders at the National Convention in Roswell, New Mexico.

The Student Council has many accomplishments to its credit, and under the fine leadership of our advisor, Miss Ethel Sawin, we will continue to function as a service to the school.

National Forensic League

First Row: Mr. James Cooke, Nancy Walsh, Stephen Brown, Gerald Dorfman, Mary Jane Wignot, Allan Parker, Miss Dorothy Churchill. *Second Row:* Richard Prince, Herbert

Holden, Anita Reetz, Susan Ireland, Robert Engstrom, Allan Tucker, Elliott Foster, Carolyn Rigiero, Linda Antoun, Nancy Roberts, Diane Robie. Brian Murphy.

The National Forensic League was organized in 1925 for the purpose of developing effective speaking ability and an understanding of the major issues facing the country. More than six hundred chapters throughout the country now participate in debating, extemporaneous speaking, oratory, interpretation, and Student Congresses. To become a member, a student must acquire twenty-five credits through participation in speaking events.

Members of the Shrewsbury chapter have participated in a number of contests this year. Several went to the three Student Congresses held at Fitchburg, Lewiston, Maine, and Concord, New Hampshire. Thirteen schools from throughout New England debated in the annual Shrewsbury pre-Thanksgiving tournament. Hudson and Fitchburg participated in the first of a series of "round-robin" debates held here on December 4. The varsity debating team, composed of Susan Ireland, Mary Jane Wignot, Gerald Dorfman, and

Stephen Brown, won third place for Shrewsbury at Dartmouth on December 8.

In addition, the organization sponsors the Colonial Debate Society and the Young Debaters' Club for Freshmen. Each year the chapter conducts the Richard Fipphen Prize Speaking Contest.

Several outstanding members have earned advance degrees for special attainments. Those having acquired the two hundred points required for the Degree of Distinction are Mary Jane Wignot and Gerald Dorfman. Allan Parker, Susan Ireland, Nancy Walsh, and Stephen Brown have earned the one hundred points for the Degree of Excellence. As a result of her fine leadership and coaching, Miss Churchill acquired the one thousand credits needed for the diamond key.

Members also participated in tournaments held at Lewiston, Maine, Clark University, and Boston University.

The Colonial Debate Society was organized in 1956 under the leadership of Mrs. Roberta Flexer. She is mainly interested in debating technique. Members are offered a chance to free themselves from fear when speaking in front of a group of people. Two debate tournaments have been held here in which the Colonials participated. They also

have travelled all over Massachusetts and New Hampshire to participate in various tournaments. Many Colonials are now in the National Forensic League not only because of these tournaments, but also because they found that debating is fun.

The actors at S.H.S. have had as profitable a year in 1957 as ever could be expected. Try-outs were held and twenty-eight new members were elected, bringing the total to thirty-nine members. Students seeking membership must be sophomores, juniors, or seniors.

The first project of the Club was the production of the Christmas program. The theme of the program was centered around the song "Rudolph the Red-Nosed Reindeer." An-

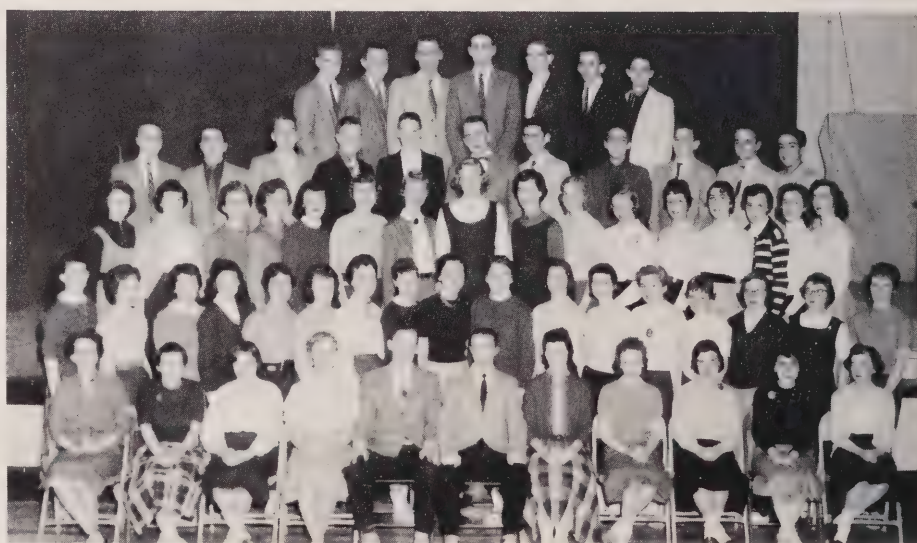

other play was put on in the spring. The Club was also given a demonstration on the application of make-up and a movie on drama.

The Dramatics Club helps its members to develop poise and speaking ability.

We are all very grateful to Mrs. Cellucci and Mrs. Widdis for their enduring and capable guidance.

The French Club was first established in 1943 by Miss Gucciardi and has been successfully carried out through the years. The main function of the club is to further the knowledge of the French student beyond the classroom walls.

Throughout the school year films and slides are shown, concerning the French people, their customs and their country. The Club also undertakes various projects such as corresponding with different French students throughout Europe. For example, about seven years ago, the French Club sent packages to Eugene Boucher and has been in

constant correspondence with him ever since.

This year, within the meetings that have been held, members have gained immeasurable knowledge concerning the further development of French culture. We hope to continue correspondence with the other French students throughout Europe and we also hope to acquire French pins for the new members as we have done in the past.

We owe much to our advisor, Miss Helen Parks, for her kind guidance and assistance.

"Merci beaucoup et au revoir."

Junior Red Cross

First Row: Miss Ethel Sawin, *Advisor*; M. Luby, A. Guerra, J. Dyer, P. LaFlash, J. Manzi, Miss Phyllis Adams, *Advisor*. *Second Row:* P. Cote, A. Flynn, L. Henderson, B. Banionis, J. Hayes, L. Johnson, J. Ryan, P. Brown, S. Mader, N. O'Neill, T. Vclent.

The Junior Red Cross Council was established in Beal High School ten years ago and is one of the outstanding organizations in the school. The membership consists of one representative from each homeroom. The officers for this year were as follows: Gerald Dyer, *President*; John Manzi, *Vice-President*; Sandra Mader, *Secretary*; Jane Ryan, *Treasurer*; and Miss Ethel Sawin, *Faculty Advisor*.

The Junior Red Cross has three main aims: to promote better relations between the people of the United States and foreign countries, to help disaster-stricken areas, to

make the physically handicapped more cheerful, and in general, help the less fortunate people.

During this year, the Junior Red Cross Council has undertaken various projects. One was the food baskets sent to needy families at Christmas time. Gift boxes were filled and sent to children throughout the world. Another project was the making of soft toys to send to foreign countries and to children's hospitals in this area.

The Council feels that it has had a very successful year and hopes that the good work will continue next year.

Town Crier

The "Town Crier," the school newspaper staffed entirely by students, is published five times a year under the capable guidance of the faculty advisors—Miss Nelson, Miss Shea, and Mrs. Widdis.

The aim and purpose of the "Town Crier" since its founding in 1947, has always been to provide an outlet for the various literary and artistic talents of the students. The fact that the paper has always been enthusiastically received, this year being no exception, is an indication of the fine quality of the work done by the staff. In fact so fine is the work done that the "Town Crier" has become a tradition of the school.

Would-be poets, authors, reporters, and artists always find the "Town Crier" willing to publish their contributions. The wide variety of articles submitted by these interested students makes a colorful, amusing, yet informative paper.

Publishing the "Town Crier" has been wonderful fun and it is hoped that the future staff will enjoy editing it as much as the staff of '57.

The Lambda Tau Sigma, under the guidance of Mrs. Gerald Shelby, has completed another important chapter in its history. It is composed of a total of twenty-three girls: three sophomores, eight juniors, and twelve seniors. The new members, who are selected in June previous to their installation, must be in the upper two-thirds of their class.

The slate of officers for 1956-57 was Gail Horton, *president*; Jane Claflin, *vice-president*; Nancy Lonnroth, *secretary*; and Suzanne Dean, *treasurer*. The officers, along with the members, have tried to uphold the standards of Lambda Tau Sigma of Tri-Hi-Y by striving to promote

courage, honesty, service, and truth as standards.

The numerous projects sponsored by the club this year have included the Christmas Ball, "Bermuda Bounce," penny sale, and a party held at an orphanage, where we made and distributed toys. Freshman, Sophomore, and Junior-Senior Nights are also annual events. Six of our members were fortunate in attending the Tri-Hi-Y Conference in Westfield, Massachusetts in March.

As the Seniors bid their sad good-byes, they wish success to the organization and hope that the new members will enjoy their affiliation with the Lambda Tau Sigma of the Tri-Hi-Y.

Cheerleaders

First Row: A. Leigh, Captain; J. Lutz, J. Clarke, J. Borgatti. *Second Row:* L. Horton, G. McGrail, S. Dean, S. Francis, J. Ryan.

The cheerleaders of Beal High School are organized for the purpose of inciting interest among the students and encouraging *all* to support their teams, by attending games and cheering for the boys in victory or defeat. To make our squad one of which the school may be proud, the cheerleaders must abide by a constitution.

Last year, after basketball season ended, Anne Leigh was elected to captain this year's squad. Shortly after, the new members were chosen. They consisted of Joyce Clarke, from the Junior class; and Bunnie Horton and Judy Lutz, from the Sophomore class. The rest of the squad consisted of

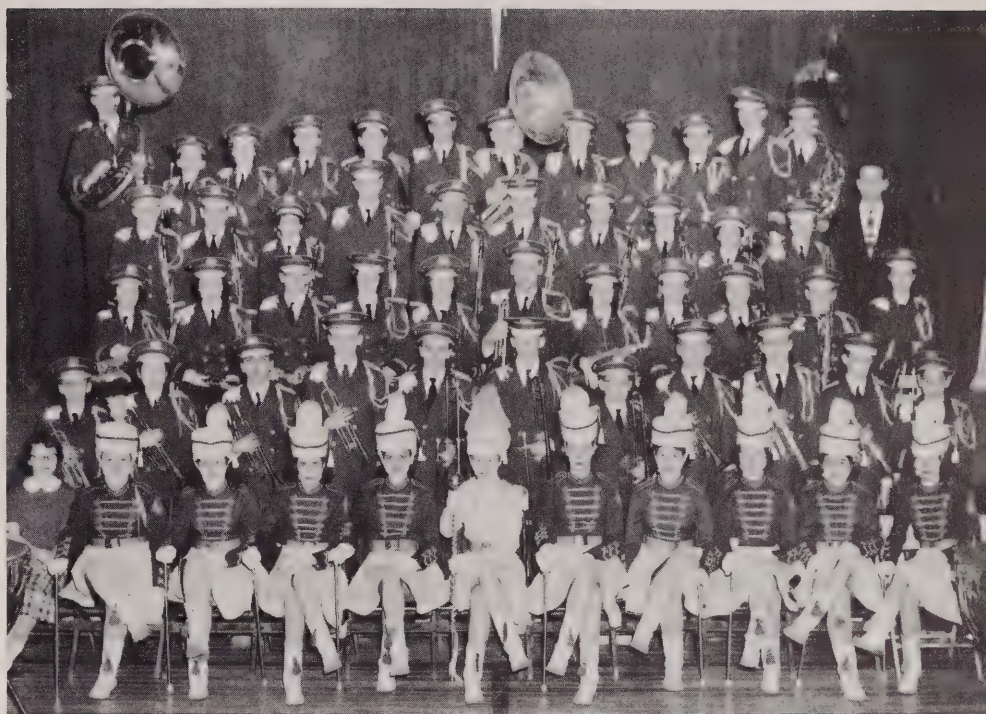

Joanne Borgatti, Salley Francis, Gert McGrail, Jane Ryan, and Sue Dean, alternate.

During the first weeks of the school year, the cheerleaders held their annual "Football Frolic." This dance proved to be very profitable, and with the proceeds, new uniforms were purchased. The new navy blue felt jumpers and gold sweaters were worn at basketball games, while the traditional heavy white sweaters and navy skirts were used for the football games.

Before important games, pep assemblies were held, so that the school spirit could be aroused in all.

The High School Band breezed through another successful year of top-notch performances under the dynamic leadership of Mr. Ford. The Christmas Concert with the High School Glee Club was highly praised by all. We also presented several concerts for the student body during school time. The Second Annual Pops Concert at the North Shore School was

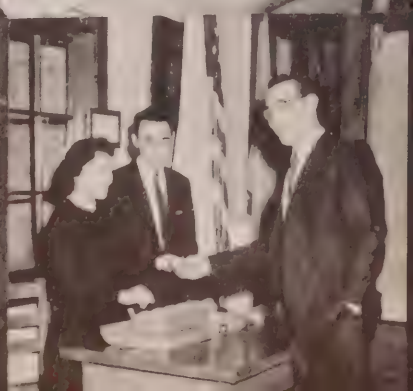

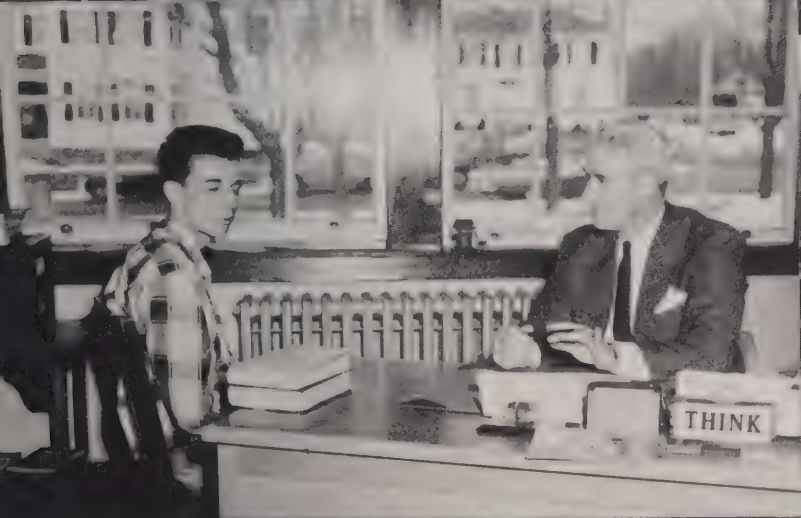

even more successful than the first. Students from Coventry, R. I. performed jointly with us at the Pops Concert and later in the year we returned the favor. We can sincerely say that this has been our best year and we are looking forward to an even better one come next fall.

Athletics

Football

Shrewsbury 0

Marlborough 25

With only three veterans on hand, Shrewsbury High football team opened the season by dropping a 25-0 decision to a strong, under-rated Marlborough High eleven. In spite of the loss, Fred Franklin and Joe Fitzpatrick each gave a sparkling performance.

Shrewsbury 0

Worcester Trade 25

Next, the "Colonials" ventured to Worcester to meet a highly-rated team from Trade High. Trade took an early lead which proved to be just a little too much for the hard-fighting "Colonials."

Shrewsbury 0

St. John's 6

Shrewsbury's next game was with St. John's Prep, another Worcester team, thus continuing a newly-started series which had begun the previous year. This was a bitterly-fought contest since both teams were evenly matched. However, a third-period touchdown was the final story in the scorebook. Seniors Jack Loiseau, Fred Franklin, and Captain Pete Perreault played inspiring football despite the loss.

Shrewsbury 19

Worcester South 33

The following week, Shrewsbury entertained powerful South High and suffered a 33-19 defeat. Although our

team showed signs of brilliance, the invaders, playing heads-up football, emerged with the victory.

Shrewsbury 6

Wachusett Regional 13

Shrewsbury resumed its previous schedule with Wachusett Regional High School after a three-year lapse. Both teams were almost evenly matched, but the lack of reserves resulted in a Shrewsbury defeat.

Shrewsbury 14

Worcester North 39

After the game with Wachusett Regional, the weakened Shrewsbury "Colonials" met the North High "Polar Bears." Shrewsbury was overpowered by the strong line and the amazingly fast backfield of the undefeated North Highers. However, seniors Jack Loiseau, Captain Pete Perreault, and next year's captains, Jack Bowles and Dave Lougee, played excellent ball.

Shrewsbury 24

Auburn 7

Our annual game with the Auburn "Dandies" took place at Memorial Field in Auburn on Armistice Day. Finally, Shrewsbury was able to gain their first victory with an impressive 24-7 score. The game was highlighted by the running of the backfield and the fine defensive play by the line.

Shrewsbury 0

Gardner 39

The Thanksgiving Day game was played with Gardner, considered one of, if not the, leading teams in the county. One of the main factors in Shrewsbury's defeat was the lack of reserve strength. It was not only the last game of the season but also the final game for seniors George and Fred Franklin, Spencer Pehl, Jack Manzi, Jack Loiseau, Francis Kosky, Stanley Sencabaugh, Jim Hayes, Bob Vigneault, Joe Fitzpatrick, Allan Parker and Capt. Pete Perreault.

The Shrewsbury High hoop team, which this year was under the leadership of co-captains Jim Abdella and Tom Cronin, with coach Michael Kleminich, was far short of its expected goal. Starting the season by defeating the "City Champs," North High School, visions of a tremendous year appeared to many a fan and ball player. However, these dreams were shattered as the season progressed. Due to losses which should have been victories, the team's record became only fair, with the result of third place in the Blackstone Valley League. The team ended with a 9-5 record and an 11-7 total. Next year's squad will find a tough schedule facing it, but with its veterans rest the hopes for a good season.

This year the Shrewsbury crew was able to begin to practice earlier than usual. Although the loss of five regulars will be severely felt, Coach Ken Burns hopes to compensate for the loss by the early start. This year's schedule is one of the most difficult on record but our hopes are high.

OUR CAPTAINS

F. Capalbo
R. Vigneault

The "Colonial" baseball team, barring mishaps and misfortunes, shows great signs of being an outstanding figure in this year's Blackstone Valley League, which will be disbanded. The team will be led by co-captains Bob Vigneault and Fran Capalbo, with coach Michael Kleminich. Since it is the last year of League play, there will be an all-out effort to capture the championship. However, much will depend on the performance of the club veterans.

Girls' Hockey

The girls' hockey squad of '56, led by co-captains Joanne Borgatti and Connie Endicott, achieved a fine record with only 1 loss, 3 wins, and 6 ties. The forward line, consisting of Jane Ryan, Carole Hacker, Jane Nye, Anne Kimball and Penny Brown, was one of the fastest lines that Shrewsbury ever had. The halfbacks Anne Leigh, Joanne Borgatti, and Barbara Jolicoeur, showed outstanding defensive play all season. Fullbacks Salley Francis and Connie Endicott, along with Karen Ent, goalie, stopped many a

threatening goal. The most exciting game of the season was our final game with Wachusett Regional at Dean Park. Two double fouls were called, which had never been experienced by either team. After all the excitement and confusion was over, the game ended in 1-1 tie.

Much of the credit for our successful season was due to the untiring effort of Miss Chase.

We wish next year's squad, captained by Carole Hacker and Jane Nye, a very successful season. Good Luck kids!

Girls' Basketball

The girls' basketball team, led by co-captains Pat D'Amato and Joan Davis, ended their season with a record of six wins and seven losses. Our new freshman addition, Betty Anderson and junior Anne Kimball, led the team in scoring.

We attribute all of our success to our coach, Miss Hall, whose untiring patience and sportsmanship made us a team

of which to be proud.

We wish to thank Martha Parmenter and Gail Garland, our managers, for their endless backing in all our games, and for doing all the little things that count so much.

We wish next year's co-captains, Anne Kimball and Peggy Woodward, all the luck possible in future games.
